

# ROLLING QUADS

## OFFICIAL RULES

### DAILY

1. The Rolling Quads promotion (the "Promotion") is valid in the Red Rock Casino Resort Spa ("Red Rock") Poker Room only, during all live Texas Hold'em games which collect a promotional rake.
2. This Promotion is active daily, until suspended, beginning on Friday, July 18, 2025 from 12:00AM through 11:59PM (each a "Promotional Day" and every hour a "Segment").
3. There will be twenty-four (24) Segments in each Promotional Day where players can win a prize of \$100 (or more if there is a rollover) in live casino chips for flopping any "quads" with a pocket pair in their hand. Segment 1 is from 12:00 am to 12:59 am, Segment 2 is from 1:00 am to 1:59 am, and so on, until segment 24, which will be from 11:00 pm to 11:59 pm. If a rollover occurs at the completion for Segment 24 - that rollover amount will be added to Segment 1 of the following promotional schedule. (e.g. Monday-Segment 24 is worth \$200 and doesn't have a qualifying winner. The next promotional day Tuesday-Segment 1 will be worth \$300.)
4. Hands completed (i.e., players cards tabled/cards on their backs) in a Segment will qualify for that Segment. For example, a player tables their hand at 12:59am will be included in Segment 3 - if a different player tables their hand at 1:00am, this will be in Segment 4. If the completion of the hand is unclear, a surveillance review may occur and make the final decision
  - a. "Intentional Stalling" will not be tolerated for promotional purposes - accounts of stalling will be investigated and handled accordingly
5. "Quads" to qualify must be any flopped four-of-a-kind and use a pocket pair.
6. The Player does not have to win the Segment's pot to win a Segment prize. The player must call the last bet faced and table their hand at the conclusion of the hand.
7. In the event that multiple hands qualify with quads, the hand that started first will be awarded the Segment prize. Surveillance will review and make the final decision. In the event of a tie (both hands deemed by surveillance to start at the same time) the prize will be divided equally among all winning players, with amounts rounded up to the nearest dollar, if needed.
8. For purposes of this Promotion, each Segment must produce a jackpot rake. If a Segment fails to produce a jackpot rake, a Segment prize will not be awarded.
9. Winners will have up to 72 hours to claim and/or collect their prize. Any Promotion prizes not claimed and collected within the 72 hours will be forfeited
10. One (1) prize will be awarded per Segment. Once a qualifying hand wins a Segment, the next available Segment will reset at \$100.
11. Players may win multiple Rolling Quads prizes but only one (1) per Segment.
12. This Promotion will not be paid in conjunction with any other promotional payouts. If a hand qualifies for both this Promotion and another promotion or bad beat jackpot, the winning players will only be awarded the highest payout possible.
13. In the event that the flop, turn, and river are requested or required to be run multiple times during a single hand, these rules will be followed:
  - a. The flop, turn, and river of one of the multiple boards must remain consistent had the hand been played with a single board
  - b. Only the original board described in rule 13a will be eligible
  - c. The JACKPOT rake will remain unchanged regardless of the number of boards being played
  - d. ALL "BOMB" pots do NOT qualify for any promotions; a jackpot drop will NOT be taken
14. All prizes will be paid in live casino chips. Any money won from the Promotion may be taken out of play or left in play, at the winner's discretion, as long as all table stakes and rules for the game are met. However, once play resumes, all money on the table must remain in play
15. Standard Station Casino Poker Room rules apply where applicable.
16. Jumbo Jackpot Promotional Rules apply where applicable.
17. All funds used to pay for this Promotion will be taken from the Texas Hold'em promotional fund.
